Detailed Description of Reason for Return:

Check Preferred Return Shipping Method:

Standard UPS Ground Service	<input type="checkbox"/>
UPS Orange (Guaranteed 3 Day Delivery)	<input type="checkbox"/>
UPS Blue (Guaranteed 2 Day Delivery)	<input type="checkbox"/>
UPS Red (Guaranteed Next Day Delivery)	<input type="checkbox"/>

- Please allow up to 2 weeks for order processing.
- There is a \$75 minimum checkout fee for all non-warranty repairs; we no longer offer product support, technical support, or repair service for Gen VI or earlier fuel/ignition systems.
- Shipping costs are the responsibility of the customer.
- Please retain the tracking number from your shipper when you return parts so that they may be contacted to verify delivery if necessary.
- Please package your parts carefully, particularly if you are shipping an oxygen sensor! These parts can be damaged in shipping without adequate protection.
- For international shipments, a \$25 handling fee* will be assessed

* Rates may vary

(Please print out this form and put in the box with your repair. Use shipping label on next page)
